“ *My aunt was a hard worker, loved caring for her family, and through any hard time she could still find it in her to find humor and to laugh. She came and stayed with me and my dad for a week and we had the best time. She helped take care of my dad when he was little and growing up. Her children were her life and she loved them dearly.*

When I was born my mom was so sick she told Aunt Alberta to name me and she named me Janice Ann after her daughter that died as an infant ten years earlier. She is buried in Summit Grove Cemetery at Kampsville where I also will be buried.
