“ Just want you to know how much I love this family! Prayers and thought are with you!

“ Al had a "Git-R-Dun" work ethic unparalleled by the younger generation while he worked at Dundee. He spoke of much harder days when he worked at Continental Cement until 1964. I'll never forget his dedication to hard work.
He was so limber he could still kick the top of a 6'8' doorway when he retired.
