“ *Sending all of you a lot of love and so sad that we have lost such an Angel. Angela is always a sweet young woman who always made me part of her day when she would see me. As all of the family and her siblings always do. I am happy to know that soon we will all see her again when the Trump sounds and we meet our Savior Jesus Christ in Heaven. Angel hold the gates open, we're going to see you then. <3 ron hindman*

*My Heart is so saddened to see her leave those earthly home, but at the same time my heart Rejoices for she is with Jesus now and no more Pain will she suffer with. I will forever be Blessed by this Beautiful young woman of God. Her smile and Laughs continue in my heart and I see her standing with us in line at winter Jam making funny Jokes and have a wonderful times while waiting in line and sitting for all those hours. To seeing your Big Beautiful sweet Smile greeting everyone at the front doors at church. You will Always be an Angel Just as you was here. As for You Woodrow and Miryah I have never met anyone who truly Lives their Life to how God says and through trials and Tribulations your Faith and Strength in the Lord is more than I've ever seen. You guys are Truly an Inspiration in my Life. And to Be more about what Family is to be like is Amazing. Bc you don't see many be what Family is to be like these days. You Lead the Example of a Christ Follower. I Love You guys Mackie Gillette*
