“ *My deepest condolences to Ann's family & to all who knew & loved her. Karen, Robyn & Martin, I pray that you find some measure of comfort at this incredibly sad time.*

*My dear friend Ann,*

*We sure had a long journey with countless adventures. I will think of you each time I canoe the Mississippi river, eat seafood or hear James Taylor play. I am forever grateful for the support you gave me over the years, beginning with our time in Columbia, and most recently, during the past year. You made my life more enjoyable during the good times, and more bearable during the bad. I can only hope that I provided you with support in turn. I will miss you terribly. Rest easy.*

*Love,  
Cindy*
