“ *Mom I miss you all the time! Not a day goes by that I don't wish I could change the events of that night. I should have stayed up with you and just talked like we usually would have done. I wish my babies could have known their Nana Anna. I love and miss you Mom.*

“ I want all of you to know you are in my prayers. I am going to miss our dear Anna so much. She had such a fun personality! She came into my life in 2003 and we became great friends right away. Over the past 5 years we had many chances to laugh together, cry together and share secrets. We shared many stories about her children and her grandchildren. All her kids were her pride and joy. She truly brought so much sunshine into my life.

*Anna, though you sleep I know your heart is awake. You are with us always and forever. I love you Anna!*
