“ I always enjoyed Andy's smile when he would come into the station to deliver fuel. He could always make us smile, and he always had a smile on his face. RIP Andy.....

“ *Renae, and Family,*  
*There my are simply no words to express my deepest condolences to you and your family during this time. Andy hunted with me and my sons for years. There are some things you look forward to every year, and seeing Andy, sharing stories, and most especially laughing at things that only he could come up with, was the high-light of hunting. He was one of a kind~ His "sense of humor" and laughter will linger in the walls of the "Hunting Shack" forever, and Andy will be remembered and missed beyond measure. We feel divinely blessed to have had the privlidge of knowing Andy. "A Bright Light Has Been Dimmed"*

“ *To the family of Arthur Johnson, please accept my sincere condolences during this time of grief. Never did Almighty God purpose for the enemy death to take away our dear loved ones, leaving a pain and void in our hearts. Jehovah God does purpose to awaken those asleep in the memorial tombs to a life of eternal blessings on a Paradise earth. (John 5:28,29; Revelation 21:4)*
