“ Aunt Bernice always gave us a Book of Lifesavers for Christmas. It is always the one thing we could count on. We looked forward to it every year. One year she tricked us and put all 7 boxes together. We thought it was a game and were so surprised when it was our Lifesavers.

I continued her tradition with my 2 children, my daughter is 29 now and still gets them ever year. Aunt Bernice you will be forever in my heart and the story of the Lifesavers has been handed down and will continue as tradition.
