“ *I didn't hear about her passing until last night. She was a beautiful person, inside and out. She took me under her wing and taught me so many things about horses. We spent many, many hours riding around the Blackmore property. I learned there are a million uses for baling wire. She took me to my first horse shows, first trail rides, horse auction...and so many other things. She will not be forgotten. I admired her, respected her, and adored her. She will be missed! My thoughts are with the family. Sincerely, Kellee "Holland" Garska*

“ *Bessie was like my second mom and what wonderful one she was. If I remember correctly Arabian Lady was her CB handle back in the day. I was blessed to have her as a Sunday school teacher and riding instructor. We spent many glorious hours riding together and working about her property. I loved her dearly and will miss her terribly, Tracey D. (Rice) Stuhlman*

“ I am sorry for your loss. I remember as a child driving by her house on our way to visit my grandmother - Marie Holland. I am sure that she will be missed by all, but draw strength from your happy memories.
