“ *Bettie was a wonderful girl. I was 7 years older and didn't see her very often after we were grown, but I always admired her for all of her good work and kindnesses. My husband is in serious condition so I can not come to Louisiana, but you are in my thoughts.*

“ *The Alexander's Family would like to express their condolences and share some word of comfort because life can be so overwhelming at this time. The pain, the grief, and the feeling of hopelessness can be unbearable. We pray that you can find comfort in family and friends but most of all thru our God Jehovah, whose eyes and ears are toward our supplication.*
