“ May God's peace surround all of you girls at this sad time. Though we were separated by age and distance for far too long, I will always remember growing up with you all, and my sister being a fun-loving spirit. Take comfort that she is at peace now. Love you all.

“ The day is remembered and quietly kept. No words are needed, We shall never forget. For those we love don't go away, They walk beside us everyday. Unseen and unheard, but always near. Aunt Cheryl

“ *The Sun, the moon, the wind, and the stars will forever be around, reminding me of the peace you have finally found mom, and even though it's difficult today to see beyond my saddened heart, tomorrow brings my memories of my mom in my heart. I will love you, and miss you know matter what mom, That you can believe in, and count on from your first born. Jennifer....*
