Fay was a special lady,I hadn't seen her for sometime since she got sick. But she was always in my prayers daily. I have been friends with her ever since they moved to Missouri from Illinois. They lived up the street from us and we all "hung out" together. We would all play baseball in our front yard. Several good memories come to mind when I think of Fay and the entire family. My prayers and sympathy goes to the family. Fly high with the angels Fay God Bless you all.
