“ Since we are unable to come by and see you all, we want you to know that you are certainly in our thoughts and prayers.

We have many memories of the old neighborhood and good times with all the kids.

We hope that, in time, good memories will be a comfort to you all.

“ I can remember being pregnant at the same time as my aunt when she had Mark. My children loved going to the sale barn to see their Aunt & Uncle when we were visiting my Grandmother.
