“ Charlie is definitely going to be missed. A smart, funny, kind and caring man. I will miss our chats and I know Robert will as well.

*I knew Charlie very well - a quiet, almost shy man. We used to ride motorcycles together in the late 1960s.*

*In fact, I was riding with him when a car hit him breaking his leg. I still have the 'video' of that accident burned permanently in my brain.*

*I'm truly saddened as his passing. A rare genuinely good guy.*
