“ *Lisa and Drew, Your mother was a wonderful cousin and friend. We shared our interest in family history. Her influence in my life will be cherished. She was a grand lady. I treasured our visits and loved her warm personality, independent nature and quick wit. I am sorry that health problems prevented us both from visiting more. I will always feel her presence. Her strong faith in God and her church were evident in all she did. I am sorry I didn't know sooner. I will miss her kind counseling and valuable advice. Love, Karen and Larry Buck*
