“ Charlotte used to “baby sit” us at church while the adults were busy.
She was a teenager and I thought she was so beautiful. I remember
her walking us to Dairy Queen and helping us make firefly jewelery.
She was a lovely person. My condolences to her family.

“ *My first friend was Diane and my second friend was Diane’s cousin Charlotte. Charlotte was “cute as a button” and so sweet. We lost contact with each other during college but in the last few years picked up as if we had been touch for 60 years. Charlotte had a heart of gold and always saw the best in people. She will be so missed but the night sky will be brighter as she shines as a twinkling star.*

“ Charlotte and I shared many late night conversations on many subjects, despite not seeing each other for years. I'm so incredibly sad that I will never get a chance to see and visit with her if I get back to Missouri. You will be missed greatly, dear sweet Charlotte.
