“ When I lived on the corner of Kentucky and Boyd Dr., Chester would of course, walk by each morning. My dog, Ginger, would watch anxiously each morning so she could bolt out the sliding glass door and greet him and get the dog biscuit he brought her. He would play with her for a minute and say hello to me. I just loved that he took time for her!

I also loved seeing that big smile and wave driving to school. He was a light... you could just see the goodness radiating from him. Chester, you will be missed. ?

“ *I remember Chester's laugh and smile and through him was sponsored as a member of the Louisiana's Lion's Club. I remember with him at the sadness when his wife passed away especially after her illness at the time. The word's I shared with him and his family I would offer again in 2 Corinthians 4 that whole chapter but especially vs 16-18. My time with Chester was brief compared with family who loved him but I look forward to eternity with him, his wife, and all my brothers and sisters in Christ! I wish for God's speed, God's blessings and His peace most of all to us who miss him most.*
