“ *Tammy,*
So sorry to hear about your Dad.

We just got home today from visiting our cousin with cancer.

Didn't know a thing until reading the newspaper. Dick hasn't even called.

It seems like I am always out of town when you need comforting words.

I plan to call but didn't know a good time, but will try to catch you soon.

Your Dad had a special place in my heart and I could TRY to boss him around.

You have a special place too knowing how you take care of all your loved ones. Take care and God bless you.
