“ Mrs. Darnell was a beautiful and lovely lady. She was God fearing and loves the Lord. Which was always on display when I would see and talk to her. To her family you have truly been blessed to have had her as your faithful, loving mother. God bless you and God keep you.

“ So many memories of Mrs.Darnell Butler. We were neighbors when I was a kid. A very loyal church member at Wesley went to church together. Always did more than her share to support the church. When I lived in Louisiana we rode to church every Sunday. She was a good friend and she will be missed. I loved this lady so much. Went to school with most of her kids. Prayers to comfort the family in their time of need. And may she rest in Peace.

“ I share a memory from back when i was a little girl. Living pn buffalo street in Louisiana when she arrived in. Louisiana from Arkansas. Her and my mother became friends. They live down stairs and we lived up stairs. My mother. Elizabeth grew a special bond. I knew Ms. Darnell to be a lovely person. She also would be cooking in the kitchen and i always from myself sneaking in to see what she was cooking. She was the person that prepared. Pinneapple pie. Those was the days growing up that i could never forget. She will never be forgotten. When ever i came to. Louisiana i would always made it by to visit her. She always made me reflect on my past and always spoken about my mother. It is her time to rest now. Rest on.....
