“ We shared so many irreplaceable memories together Dom. Will never forget our countless "getaway weekends". It was like 7/8 years ago but we have kept in touch over the years and always laughed and hugged when we ran into each other back home. It was awesome to see you being a dad. I'm heartbroken for your mother/brothers/sons and immediate family. You were friends with almost everyone! I know that you are in a place far better than this world, however we all wish God didn't take you so soon. I love you Dominique and can't wait until we meet again in heaven. Watch over us all. Rest Easy D. <3

“ Rest Peacefully my dear sweet friend. Thank you SO much for being a shoulder and open ear these last couple of months that I was going through my own tragedy, and you never turning your back. Losing you has shocked our entire community and then some. I will never stop praying for our family, children, and all of the so many friends who are hurting right now. I know I speak for everyone who knew you when I say we lost an amazing soul. I love you and I'll miss you now and forever.

“ I will always remember D's infectious smile and laugh. I was one of the lucky ones who got to spend a lot of time with D when he was in middle school and high school. He was a very gifted athlete, who was very competitive but also had a big heart and cared for his teammates. I believe the last time I was back, I ran into D and we had a great conversation about fatherhood. I am most proud of my former athletes and students when I get to have those conversations and see how they have matured into awesome adults.

Your entire family is in our thoughts and prayers!
