“ *Caricature down the bonlde..There is a bonlde at commission with the device for destruction of a periodical with a drive off of documents and doesn't be familiar with what to do. By there passes the staff member of office and speaks:- Can ease you?- Yes, and I don't be acquainted with that as this thingummy works Okay it takes a assemblage, inserts where it is necessary and presses the button. And the bonlde also speaks:- Copies whence to knock off away?*
