“ I'm so sorry for your loss, Teresa. I know you were tight with your dad. You and your family have meant so much to me over the years. He will be missed. I'm glad I got to see him before he passed. To hear him call me 'pollock' again is something I'll always remember. He's in a better place and suffers no more. If you or your family need ANYTHING, you have my number. I love you all. Deb
