“ *It is with great sadness that I read this. Condolences to Howard, family and friends. I met the Greene's while traveling Indonesia in 2014. I was immediately taken with her good nature, sense of adventure, and her ubiquitous smile. Although it was only for three weeks, Doris was a great travel buddy, you will be missed my friend.*

“ Prayers for the Greene and Schwadron families. I am honored to have called Doris Greene my friend. She has contributed her gifts to this community and I am a better person from having known her. Raintree Arts Council will miss her as part of the board of directors. There are many voids that her passing will create. At the same time I will always be thankful that she came to this community to add her wonderful spirit! RIP sweet lady!

“ *My condolences to Doris's husband and his wide circle of family and friends. Doris was a mentor to me while I was involved with Rotary Youth Exchange. She was always available to me for any concerns I had and she offered wise and kind advice. She was a true lady and a wonderful Rotarian. She will be sorely missed by all.*

“ One of my most favorite memories; "everyone bring props and play like we are whitewashing a fence". See the attached picture of the "Calender Girls" and notice what Doris has in her hands. (Priceless - Doris brought spray paint!) :-) What a great sense of humor. I Love you!

“ *I loved Doris. I would smile when I would see her driving down Georgia St. Her head sticking up above the steering wheel just a few inches, I could never see her eyes. How did she see to drive I will never know.*

My favorite memory with her is when Mary and I took her and Howard to the Cardinal game. What a beautiful day it was and a wonderful time with them. Miss you already Doris.
