“ You've been everything to me that one person can be to another. You've been my friends' Mom, a second Mom, a very dear friend and a confidant. You were always so kind, always there, kindly giving advice when needed, even if I didn't always think I could take it. And always turned out you were right. You have always been there for everyone, from your own family, to friends, church and community. We have laughed together , cried together, shared, meals ,fun and sorrow. Your family and everyone who has been blessed to have you in their lives are all better for having had with that experience. I will always love you dear friend, and I will miss you to eternity.

That being said, I truly believe that God could not have chosen any better person to join his flock.

You have made strong individuals of your family, go knowing they will all always miss you , but they will all also be fine.

God bless : Raymond, Jeff, James, Dennis, Lori and your treasured grandchildren.

Forever grateful for having known you.
