“ *I am so sorry for your loss. Mrs. Dorothy seems to have made a wonderful, life changing impression on many lives. Please know that God is not the cause of this sadness. But He WILL soon fix it. Soon He will fulfill the promise made to us in John 5:28&29, and Revelation 21:3&4. I sincerely hope you find comfort in these scriptures about our future here on Earth...Jw.org*

“ Dear Doris and Family,
I am so sorry to hear of your Mother's passing. I do want to tell you
I appreciate your support during my mother's illness and
stay in the hospital. You are a very empathetic nurse. Mom passed
three years ago this time of April. I think it was this week. We sure
did not know when we were visiting at the hospital that you would
be losing your mother in three years. God Bless you and your
family!!!

“ Doug and Dottie's place - that was the best
place to go for good food, a few beers, share
old stories and the latest news - the best
friends a person could have. Dottie had the
gift of making each person feel welcome and
special - no matter how few or many people there were. She was a
patient listener and always had words of encouragement to offer no
matter how big or small the problem was. We will surely miss her
and and are greatly saddened - but take comfort in knowing that she
is now pain free and in a better place. We feel truly blessed to have
had the opportunity to know her.

“ *Always loved going to Aunt Dot's when we were kids and even as grown-ups. There has never been a sweeter lady. Lots of good food and great company. And she always had Pepsi (probably where I obtained my Pepsi addiction). I will never forget everything you did for Mom and I can't thank you enough. I will miss you dearly. RIP Aunt Dot.
