

Dorothy Elizabeth Webb

February 3, 1927 - April 22, 2021

Dorothy Elizabeth Taliaferro Webb, 94, went to her heavenly home on Thursday, April 22, 2021. She was a beloved mother, grandmother, aunt, and friend to so many. She was born February 3, 1927 in Hannibal, Missouri to Walter E. Taliaferro and Caroline Peters Taliaferro. Dorothy was preceded in death by her parents Walter and Caroline; her sister Helen; and her brothers Henry, Walter E. Jr., Guy, John, Harry, Thomas, Roy, Robert, and Gerald. Dorothy leaves behind a daughter Elaine Rustman and her husband Sid; a grandson Jeffrey Deis, his wife Lisa, and their children Jacob and Amara; a granddaughter Jennifer Taylor, her husband William, and their children Hannah and Katherine; and many generations of nieces and nephews. Growing up in Hannibal, Missouri, Dorothy was baptized and confirmed at St. John's Lutheran Church. She graduated from Hannibal High School in 1944, was married and had a daughter Elaine, and later attended Hannibal LaGrange College, where she received a two-year Associates in Education degree in 1956. Dorothy then taught two years at Mills Creek School in rural Ralls County, Missouri. During this time, she was continuing her education and received her B.S. in Education from Culver Stockton College in 1959. That same year, Dorothy and her daughter moved to Louisiana, Missouri, where she accepted a teaching position. She continued teaching in Louisiana for 30 years, most of those years dedicated to teaching junior high Language Arts. Dorothy was passionate about her teaching, treasured all her students, touched countless lives, and in some cases, generations.

Dorothy was an active member of Trinity Lutheran Church and was also involved in her community. She loved volunteering at the Pike County Hospital gift shop, the Louisiana Historical Museum, as well as several nursing homes where she was often seen painting fingernails and reading to residents. Gardening and flowers were Dorothy's passion. She was happiest while working in her yard, which was well known for having constant blooms from spring through fall. Dorothy spread love and cheer by sharing her flowers with family, friends, and neighbors.

Visitation will be from 5:00 P.M. until 8:00 P.M. on Thursday, April 29th at the Collier Funeral Home in Louisiana, MO. Funeral services will be held at 10:00 A.M. on Friday, April 30th at the Trinity Lutheran Church in Louisiana. Burial for family members only will follow at Mount Olivet Cemetery in Hannibal. Memorials may be made to the Trinity Lutheran Church, Shriner's Hospital for Children, or the donor's choice.

“ *Mrs Webb touched my life more than I could say. We talked about having a common ground. As she had her sister and a ton of brothers. She knew there was also 8 kids in my family. She knew of concerns in my family. She always knew each of our names. Told me to follow my dreams, study and keep faith. She assured me. She would pray and help each of us. The best and caring of any person I was blessed to have. The Lafferty family gives our condolences.*

“ Mrs. Webb was the most amazing teacher I was ever fortunate enough to know. She tutored me at home on her own time when I broke my leg in the 7th grade. She simply said, when we, especially me offered our profuse thanks, that “She did not want me get behind in my school work. “

“ Elaine & Sid, you won't know me, but Ruth Ann Jones, your Mother and I travelled to Kirksville about 2 yrs. ago for my granddaughter's wedding! Ruth Ann drove, Dorothy crocheted, & I visited! We took my car and they dropped me off and went shopping. It was a wonderful memory for me; we ate Chinese, and had a great time. By the way, my Mother was also a Taliaferro!! Your Mother was a beloved community "Treasure"!

“ I am sorry that I will be unable to attend the visitation or service for Dorothy Webb so wanted to pass on the information to the family. I am limited as to access in groups of people due to an operation and illness earlier this year and as a result of the virus limitations. D.

“ Dorothy was an amazing woman. We became acquainted through the Pike County Memorial Hospital Auxiliary’. She always seemed to be at the top of her game. She made the absolute most of what she was given be it lemons or an Easy button. We will miss her. I will miss her and the beautiful flowers with which she gifted us. God speed Dorothy.

“ *Dorothy was such a sweet and generous lady. She visited our mother at Luther Manor and always brought her flowers from her garden. She and Mom were from Ely Street here in Hannibal and went over many memories. Will always remember her kindness through out her life. She made all her friends. So sorry for your family's loss.*

“ I'm so sorry to hear about Mrs. Webb's passing. I believe she was my 7th grade English teacher. I enjoyed being in her class and she was a great teacher and a person. I wish I could have known her better but I will look forward to talking to her in heaven. :) May the Lord comfort all of her family.

“ What a wonderful woman! I only got to know Dorothy a few years ago, but what an impact she made on me. She was always upbeat, had a smile and a word of encouragement for whomever she met. Although she is gone physically, she will live on through her deeds of kindness and words of support to so many. Rest in peace!

“ I was sorry to hear of the death of Dorothy Webb. She cared about people and was very helpful. Her lifetime of teaching left very good impressions. She also was helpful in the Louisiana community The organizations she was a part of were blessed by her good work and dedication and consideration. She left a very good example of what can be done by those who are trying to do the right thing in the right way. D. Randall Cone

“ In 1968 I moved to Louisiana MO to teach 7th/8th grade Bloc at the newly formed Middle School. One of the first people I met was Dorothy. Elaine had just started college. I was 200+ miles from home. We bonded as each other's support. I believe one of the reasons God sent me to Missouri was so that I would be blessed with the friendship of this precious woman.

“ I never knew Gigi to get off a flight, leave a store, or even get the mail without reporting back with a brand new friend. Dorothy's childhood can be known through her lifelong friends and neighbors, her career time through generations of stories from countless loving family members, and just about anyone can tell you about her later years! She was incredibly loved. There's dozens of things in life I'll never look at without thinking of her—bouquets, pennies, and "fit as a fiddle" being just a few.

“ Mrs Webb was always counted in the group of one of my best teachers and an even smaller group of one of my favorite teachers. She only wanted her students to not only learn the material at the time, but to fully understand for a lifetime. She was as devoted to this community as she was her students. Her life is a shining example of a “life well lived”, and her eternal rest with Our Father and all the angels in Heaven is well deserved, and she is “fit as a fiddle”!

“ From the time I was a young girl I knew Mrs. Webb. She was my English teacher in school and a serious but loving lady. You didn't play around in her class. She was friends with my Grandma Abel's best friend. When her friend passed away my Mom asked Dorothy if she would mind coming and visiting with Grandma because she was lonely and missed Martha. So began a great friendship. Dorothy would come get Grandma and take her for rides and they would go to lunch. She was a great friend to her until she passed. We adopted Dorothy into our family and loved her as much as if she was ours.

I can honestly say that there are very few people I have met in my life that have made the impact that she did. I got to visit with her once a week to do her hair and I cherished our time together. She would come in and no matter how she felt I would say how are you today Dorothy? “Fit as a fiddle and fine as a frog's hair!” She said it all the time and to everyone. It always made me smile. It was impossible to have a bad day when she was around and I will never forget how positive she was. Helpful, loving and kind. The world needs more people like her.

So to my sweet friend I say goodbye...until we meet again.

Dorothy would have said “ Well I'm off but you knew that, and I'm going too!”

Much love to you and my deepest sympathy to your family.

Love, Becky
