“ *I know that it has not been a year yet since your mother passed. Now your father. The same situation as my parents. Dad in November 2010 and Mom April 2011. I am so sorry for your loss. Again I thank you so much for the support that you gave us during Mom's illness and stay in the hospital in April 2011. God Be With You Friend.*

“ I've been thinking of you guys constantly since I got the news. Sometimes God gives me gifts that I don't realize we're gifts until much later. Your parents were such a gift.. As kids, they were a connection to our father's family and as adults, we got to reconnect again. I think my children will cherish memories of visiting your mom and dad, the same way my sisters and I do. What incredible blessings they were. Loving you all from a distanc, Kim, Kevin, Michael and Amy.
