“ *Frances was a good woman and she loved and took care of my dad for many years. We could not have asked for more. Her goodness and hard work was appreciated. She will be so happy to be reunited with him now.*

She had a lot of love for her children and grandchildren and I hope that they know just how much she cared for them. When my dad passed, I had a picture of him put on the headstone and I promised Frances that I would put one up for her when it was time. She told me that she wanted her wedding picture added, and that is what I will do.

Rest In Peace, Frances
