“ *Geraldine was always the sweetest Aunt to me and my siblings. She and her family would always visit us or we would go visit her family. We were very close growing up. She took me to get my drivers license when I turned 16, many years ago. She was always so much fun and everyone loved her. We will really miss her, but know that she is finally at peace and no more pain for her. She is enjoying her family in heaven now. God rest her sole and God Bless her family.*
