“ *I have known Eddie since he was a tall skinny kid. He was always so full of life, jumping around and having a good time. I was glad he was here in Luther Manor at the last because I got to see him almost every day but it was hard to see how fast he went down. He was ready to go. Just didn't want to go through the sickness anymore. Shirley he always told me that you were doing such a good job of taking care of him. He appreciated you so much. So sorry for you boys in the loss of your father and all the rest of the family too.*

“ *My name is Charlotte Winfree Utterback and I went to school with Eddie and was a classmate of his wife, the former Nancy Asquith of Perry, Mo. Just wanted to tell Shirley, his sister that I am so sorry for her loss. He was a special guy! I pray that God will help his family with the strength to get through the future without him.*

“ *My sincere condolences to Eddie's loved ones. I knew Eddie in high school and he was probably the sweetest, nicest boy I ever met. Though I hadn't seen him since 1954 I feel the loss of a good person.*
