“ *Judy and Family,
I know your hearts or broken as mine is to I lost a good dear friend.
He was so proud of your families accomplishments, we had many a
cup of coffee together where
He talked about family, hunting and buffalo meat when he brought it
into the coffeee shop. He had the best personality and always a
smile on his facem He will surely be missed in this town.
HUGS and prayer to you all
Becky*
