“ *Helen was a true friend. I got to know her thru wee ones and working at Wal-Mart. She loved her family more than anything besides Joe. The fun we had and talks during the overnights counting the flowers and fabric. She will be missed by many. So fly high Helen*

“ I may have only know Grandma Helen for a short time but it didn't take long for her to have a huge impact on my life. I used to go over and visit her and Grandpa while Rich was at work. I'd bring my sewing machine and she'd help me fix it and tell me stories of how she used to work in a clothing factory and how she loved to make bows. She even gave me a few to sew onto what I was making. She was such a kind-hearted person and such a joy to be around! She will be greatly missed and will always be loved.

“ Grandma Helen was a beautiful, amazing person that touched the lives of all those around her. There are so many memories that are so near and dear to me in my heart. I thank god for making her my grandma and giving me the time I had with her. I find comfort knowing she's in a better place with the loved ones who went before her. You'll always be missed but your with me in my heart grandma!!! Wanted to say thank you to all those who have kept us in your thoughts and prayers at this difficult time!
