“ *Cheryl, Jud, Lance & all the Norvell family. As I told you all, Jim was a good man. I have a lot of great memories from my childhood. Even though Jim was so young when he married my sister. He became the only male influence in my life & my brother's life. My brother was in his early teen years & Jim taught him how to drive, hunt (probably illegally hunting) at the time, fishing & many things that a father would teach his son. He was a big part of our young lives. I know you all will cherish the time you had with him, even though it wasn't near long enough. I pray that all your memories will comfort you. My thought & prayers are with you all. Charlene Hagaman (Michele's Aunt)*
