“ *Over the years since I have lived in Louisiana, I have had contact with some members of the Waddell family, including Mr. Waddell's wife when she was activities director at Smith-Barr Manor and a grandson, Cade, who, along with friends, has done work at my residence locations. I also remember a very interesting presentation by his son at the recent Museum dinner, portraying the founder of the Stark nursery business. I also have had contact with Michelle and her family connections.*

My sympathy to the family and friends. D. Randall Cone, Louisiana, MO
