“ My deepest condolences to the entire Peabody family. Jayne Woods was an incredible woman. I met her a few years ago and we were instantly great friends. Always loving and kind. Always trying to help others. Even though I didn't know her for many years she was truly a dear friend to me. She was greatly loved and will definitely be missed by many. Beautiful inside and out. You will be missed. Lisa Johnson

“ Lillian I am so sorry for the loss of your dad and now your mom. They were great people. I remember Roy and Jane coming to our house and playing pitch with my mom and dad on Frances Dr and all the trips they went on together and the fun and laughter. It's a shame but as we all got older we all eventually went our separate ways. I hope all your great memories of them will make you smile.

Janie was my boss at Louisiana Plastics. She was not only the sweetest, kindness person who I will ever know. She took her time to work with the people. I never did see her get upset no matter how trying her job got. She would also see me away from work and call my name and talk with me. She will be truly misses by anyone who knew her. Janie fly high with the angels and God Bless you one sweet lady. My prayers and thoughts go with the family. God Bless.
