“ I’m so sorry for your loss. Jeana had one of the biggest & brightest smiles of anyone I know. We became fast friends in the 3rd grade & even though we lost touch through the years running into each other always felt like it had just been yesterday. I will miss that smile and hug she always greeted me with and her saying “Awh girl”.... as we caught up with each other’s lives. Rest in Heaven Jeana.

“ Jeana had the most beautiful smile and biggest heart. We were good friends when we were younger, and as time passed we didn't see each other as much. But when I did run into her it was like we just picked up where we left off. I'm so sorry for your loss, she was a real sweetheart.
