Condolences to Jennifer's family. I was very fond of Jennifer. She was a very special person! She was a great co-worker, neighbor, and friend. Sorry we hadn't kept in touch more.

“ *I would like to offer my condolences to the Bogert's Family and share some word of comfort because life can be so overwhelming at this time. The pain, the grief, and the feeling of hopelessness can be so unbearable. We pray that you can find comfort in family and friends but most of all thru our God Jehovah, whose ear and supplication is toward the distressed ones.*

“ Jennifer was such a great person. She could crack me up with some of her stories. And was one of the greatest cooks I have ever known. Loved that salsa! Jennifer, I will miss you, but will see you again someday.

“ Jennifer will be missed by all who knew her. I attended school with Jennifer for 8 years at BONCL. I remember her as being the smartest person in our class and a fast runner. Actually, I remember her being good at all sports. She was quiet but friendly. I remember that she would bring the best home made sugar cookies from home to our class parties. When I was in about second or third grade, I got two new black and white terrier pups. I named one after Jennifer. She was a great friend and I'm so sorry to lose her. I wish we would have stayed close as we got older.
