“ To Joanne's family.....I'm so sorry I didn't know about her death or services until today.(Thursday). You know we were neighbors in our way younger days and have always enjoyed visiting when we met while shopping or wherever. Our birthdays were both on the 8th of March only I was one year older, but regardless what time of year when we met we always wished each other a "Happy Birthday". To all of her family I offer my sincere sympathy. I had visited with her not very long ago and she looked so good. She was always a very sweet person and a very good long time friend.
