“ *My heart has been heavy since I received the news yesterday of Jordan's passing. I will never forget the times I had with him in class. He was a very bright, young man full of spirit! Jordan touched the hearts of many at HHS with his smile on his face and his attitude to succeed. You will continue to be in my thoughts and prayers.*

“ *Jordon Was by far the most respectful person I think I have ever met. He was thoughtful and always asking about how others were doing. He is greatly missed and some one I feel honored to have had the chance to meet and know. although he was not here on earth a long time , his impact on anyone who met him was like he had been alive 100 years. His spirit will live on in the hearts of all us who love him. See you later, buddy!*

“ *My husband (mentors)and I(camp photographer)volunteer at MDA camp so we got to know Jordan during his last two years at camp.He was quiet, so it was a real hoot to see him perform his rap song at the camp talent show. It is such a joy for us to get to know the campers thru the camera lens and activities. Jordan was kind and polite. Though he had a short time, he demonstrated quiet dignity and strenth of character that inspired us all. We are proud to have known such a fine young man.*

“ Mona- Please accept my sincere condolences. I remember Jordan being your whole world. He surely was a trooper in all ways. May we all carry his strength as these are going to be rough waters for awhile. If you haven't heard it, please check out a song by "Dixie Chicks" named "Godspeed--Sweet Dreams, Little Man". It has been a leaning post for me lately. Feel free to contact me anytime for updates. Again, I'm so very sorry for your loss.
