“ To the Hutson family my deepest sympathy's. Joe and I attended St. Kevin grade school in St. Ann, Mo. We were the first class of K thru 8th grade to graduate. I remember coming over to Joe's house and heading downstairs to listen to music on the record player, drinking Coke, and eating Hostess cupcakes. Joe, Larry Kirchoffer, and I were the three amigos back then. Again I very sorry for your loss.

“ I'm soooo sorry for your loss. When I was six years old, a few months after the death of my father, we had an anniversary family gathering for my maternal grandparents. Joe came with my Reuther cousins, and I thought they were soooooooo cool!

We has some LP records playing on the record player, and Joe humored a little kid and danced with me in the living room. In my excitement I twirled and kicked like there was no tomorrow. In the process, and to my horror, I lost one of my shoes and watched it hurl across the room. You might have guessed it, my shoe landed on the record playing with a screech that haunts me to this day. Joe and six year old me had a look of surprise, but then humiliated no longer cool me ran to hide tearfully in the bedroom. Things were never as carefree between us.

Many, many, maaaaany years later I can finally giggle about it. Thank you Joe for humoring a kid who had been thru a lot in 1969, and that should help you hold a special place in heaven. Prayers for comfort for your family and friends!
