“ Dear Ron, Dreux, and family,

We are so sorry to hear about the death of Karen. She was a remarkable woman whose friendship we treasured.

I noticed Karen at a resort in Tunisia that was frequented predominantly by Germans. We were at a meal and I spotted her talking to Dreux and Ron and although I couldn't hear her, I thought she was speaking English. So of course, I made sure that we met. I also remember how deliberately and slowly Karen would chew her food! Quite envious of her healthy practice.

At the time we were living in Germany only a few hours from Villa Morgon. They would come visit us and go to the commissary and BX (Ramstein AFB) because Dreux liked a specific American cereal that they couldn't find in France, And we would visit them learning about the wines of the area.

Several Thanksgivings we brought the turkey, cranberries, and some of the fixings for dinner where the meal was shared with their friends and both French and English was spoken amidst the laughter. Such warm, wonderful memories of a gracious lady and a fantastic cook. She will be missed.

Dear Ron and Dreux, I could hardly believe my eyes when I saw the announcement of Karen's passing on Facebook. You and she were such longtime friends. It is still very hard to accept that she is gone. Our hearts and prayers are with you. Can't imagine how hard it must be. Our love, Jane and Jim Connett
