“ *Karla was a dear friend, and a former coworker. She was kind, loving and had a terrific sense of humor. She befriended me the day I started working for the post office, and we remained friends for 22 plus years. She and Bob invited me to their parties, and hayrides, and I would visit them on my way home from my parents house in Clarksville. I will miss her terribly, but I take comfort in knowing she is reunited, through God, with the only man she ever loved. May God bless and keep them , forever in my heart.*

*Karla's smile was contagious. She lit up the Raintree stage sharing her light in plays and musicals. We will never forget her!
May her joy live on.
