“ *Oh, Sister, there are so many that I have! My first trip to Six Flags with your Family. Those scary, furry things running at me and scaring me to death! Our 12 mile walk/bike ride with 1 bike, no money for drinks, on one of the hottest days ever, only to get there and weirdo's were there. So we turned around to start the 12 mile journey back! Lol. Sneaking out at night in Calio! Oh my...all the good times we shared together! Girl! I love you so much and my world will never be the same without you in it! RIP My Dear Sister/Friend. 🥹*
