“ *I wasn't sure what to think, say or do. Kathleen was integral for both of my girls (and me) at school. She was such a wonderful, caring, kind, patient, gorgeous human being. Jeremy is/was one of my very best friends, and with us being so close in age, and with children, (grown ups!), this hit me pretty hard. Kathleen & I were not close per say, but Jeremy's wife is all she needed to be. I still want to know why bad things happen to such truly great, honest, caring, loving, kind & beautiful people. If anyone knows the answer, my inbox on FB is open. Jeremy, call me (314) 669-1314. I wanted to wait until after things calmed a bit, then see what I can do. I love you all. I'd do anything for you & the kids, absolutely anytime & whatever I'm able. You just let me know. I'm going to continue to keep you in my thoughts every single day, and one last thing: I'm honored to have known Mrs Kathleen. I'm not sure God has made any better. Love always, Roni*

“ *Jeremy,
I would like to express my deepest sympathies to you, Jillian and Corbin, and all the Kinsel Family.
My prayers go out to all that loved and cared for Kathleen. May God embrace you in comfort during this difficult time.*

I met Kathleen from her older brother Ron, when she was in her first year of college. Such a beautiful person with a big and caring heart, always there to listen and help. I will miss those occasional talks over the phone with a true friend always there to listen. With much regret, I will not see her for the last time but will cherish the memories of our friendship. You will be miss so dearly by many who loved you.
