“ When we heard about Larry's passing, such fond memories flooded through us of growing up in the Trinity Lutheran Church, surrounded by such wonderful role models like Larry, Becky, and the Sandell family. Wishing you peace during this difficult time.

“ We remember Lawrence and Becky as children coming to church and Bible school with our grandparents. He was such a kind , gentle man with a strong faith in Christ's church. Sending caring thoughts and sympathy to all of his family. The Buchholz Family

“ I fondly remember Larry and Becky Poyser, when Larry was on the Trustee Board at Trinity, helped with needed items in the Parsonage during my ministry from 1988 - 1991. Also his detest for anything that would ruin his lawn, even seeding the ground with Diazinon to kill grub worms and keep pests from messing his yard. But the happiest thing I remember is his warm smile and kind heart. His love for his wife and children and raising his family with faith in Jesus Christ. I knew Larry worked at Hercules but never knew he served our Country for that I am grateful. I pray God's speed and God's blessings for His wife, children and all his family.

“ Lawrence was one of my favorite customers. We would always visit a little. In the spring he always wanted to know if I started my mower yet. He always complained about his Sweet Gum tree. I know he will be missed by many. My thoughts and prayers are with you!

“ *He was my uncle and a 2nd dad. When I had my first heart attack he was right there and walked with me to the helicopter 🚁. He told me he was going to kick dad (George) butt when he got to heaven and he is there. Going to miss him dearly. Love you until we meet again Uncle Lawrence*
