“ *Charlie, Kitty, Vickie and family,*

We are so sorry for the loss of Aunt Sue. We know how much she meant to all of you and how close you were. It is always such a sad time when love ones are lost, especially this time of year. We hope memories and God's love will help you through this tough time. If you need anything, just let us know.

“ Dear Sue brought us many hours of happiness! She made us laugh with the many jokes she had at her fingertips; she was a good friend that we could share a confidence and know that it would go no further; she couldn't dance worth a darn, but she'd dance anyhow!

Miss Sue (How do you do?) had a very strong faith and knew Jesus would be there with Randy and her Mom and Dad when her time came. We can be assured that she was greeted that way and that she is now in a healthy body and can sing and dance with the best of them, we will miss her and will always remember her beautiful smile! Love always, Sue,
