“ *My husband and I both just found out over a year later of the passing of Leonard ..we are deeply sorry and send prayers and condolences to the family, as the first year is sometimes the hardest..*

I wanted to share... we knew Leonard and he was so cool! We used to talk about hanging out and going for a hike or something when he got out of MGL ... We were there (employees) when he first got there and when got to go home! He was so excited and we were too for him. Saw his progress, rooted him on and was there as friends, too! Leonard had a good heart and was always good company.. He was also excited when we started dating and gave us lots of advice! Haha...good memories. Rest in peace, friend.
