“ To Len's family,  
My deepest sympathy on the sudden loss of your dad. He was great fun and full of mischief. If he had to go early, than I am glad that he was having a good time until the end. It seems like a long time ago we worked at Lambert field but yet just like yesterday. Your great memories of him will keep him alive in your heart.

Fondly,

Judy Mandel

“ Son and family,  
So sorry I was out of town when your Dad passed away. Just returned to hear the news.

Your Dad was quite the bull-..... I just ran into him a few days ago and asked how he was doing. He told me just fine.

I am glad he accomplished his mission of being close to the Mississippi River. While standing on his deck one day, I told him he could really enjoy the Mississippi if he fell off the deck!! We had quite a laugh.

We all enjoyed having your Dad here.
