“ *I am sorry to see this. Lois wrote a very kind supportive note when my mom passed in March and now I am doing same for her. Thought of Lois in driving through Louisiana last weekend and planned to contact her soon. Lois was proud of becoming a registered medical assistant and subsequent billing functions at BJC, she enjoyed medical work. Lois always had a smile and laugh in high school and was proud of her family. May her memories and love comfort everyone going forward. Deborah Wood*

“ I met Lois back in 1985, I was dating Glenn's cousin. She told me if I could understand Joe (he talked fast) and tell her what he said I was a keeper lol. We had a lot of good times bbq nights, race nights, just family times. We will miss her.
