“ *Lola was such a sweet lady. I remember the first day she came to Maple Lawn. She didn't want much to do with anyone, but she latched on to me and I have to say she quickly became like family to me. If she was having a not so good day I was usually the one that was able to help her with whatever was going on. I know I will sure miss her spunky little attitude and the hugs that she would give to me!*
