“ Lucy was one of the first friends I made while teaching in Louisiana R-II Schools. She was always willing to do whatever was needed to make learning better for the students. Away from there, we enjoyed going places, doing things together, or just visiting for hours on the phone. Kind, thoughtful, and so generous with her time and attention are what I'll always remember whenever I think of Lucy.

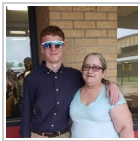

My thoughts and prayers continue for Billy, Kelly, Shep and their families. May your memories bring comfort and peace in the coming days. ☐
